Vote for Cedar Speedster as the DJC 2019 Building of the Year!

Cedar Speedster's design pays homage to Fremont's industrial, lumber and saw mill history with its mass timber construction and raw materials. Visit Cedar Speedster today, grab a local brew at Aslan Brewing or dinner at Revel, and experience the warm and rustic design that makes this the Project of the Year.

Voting ends Friday, February 14th.

In case you missed it

The Future of Buildings Already Exists

To make a large impact on the built environment we need to look beyond new construction and operational carbon. Learn more about a recent case study that demonstrates improving and reusing an existing building as a crucial step towards carbon reduction from WT Principal and Director of Sustainability, Myer Harrell.
