

## Join Our Team

*Weber Thompson is an award-winning architecture, interior design, landscape architecture and community design firm.*

Our projects are complex and challenging – but we are a great group of talented design professionals who value collaboration and humor in our day-to-day. We are dedicated to creating success via design and technical excellence.

Our office is friendly and low-key, yet deadline-driven and client-centric, with minimal egos. Our brand new office is located in the deep-green Living Building, Watershed, located in the Fremont neighborhood of Seattle, WA. Weber Thompson is a [JUST Company](#).

NOW HIRING:

### Full-time Project Manager

We are seeking a dynamic self-starter with 8+ years of overall experience including 2+ years of experience managing the design and construction of complex commercial or multifamily (mid-rise or high-rise) residential projects.

You must believe in premium client care and possess excellent communication, collaboration, team building and organizational skills. Strong fiscal and schedule management abilities are required, in addition to knowledge and comfort with local jurisdictions and an interest in sustainable strategies and design. Revit experience is required as well as a degree in Architecture from an accredited program. LEED Accreditation as well as licensure are preferred but not required for the position.

This is a full time salaried position with benefits. You will work out of our office in Seattle, WA, although part-time remote work is possible.
