

## Join Our Team

*Weber Thompson, an award-winning architecture, interior design, and landscape architecture firm, has an opening in our interior design studio.*

We work on a wide variety of project types, from affordable housing, mid-rise and high-rise multi-family, commercial office as well as hospitality and retail. Our projects are complex, and you will work hard – but you will be alongside a great group of people who prioritize collaboration and humor in their day-to-day work. We work in a light filled, Living Building office in the middle of the highly energized Fremont neighborhood in Seattle.

Our office is a friendly and low-key, yet deadline-driven environment with minimal egos. We pride ourselves on our commitment to the environment, community, and our clients. Our office culture welcomes humor and nurtures career growth. We offer a robust package of benefits, and a flexible, hybrid working schedule.

Weber Thompson is committed to creating a diverse environment and are proud to be a JUST Certified Company.

- Experience and expertise in Revit, Sketchup and Adobe Creative Cloud.
- Excellent team and interdisciplinary communication, both written and verbal.
- Strong organizational skills.
- The ability to manage both schedules and budgets.
- Resilience, drive, and a sense of humor.
- A degree in Interior Design or Architecture from an accredited program is required; LEED AP Accreditation is preferred.

### Benefits & Opportunities:

- Paid Time Off
- Medical, dental, vision, life insurance
- 401(k) Participation
- Healthcare spending or reimbursement accounts, such as HSAs, FSAs, and HRAs
- Short-term & long-term disability insurance
- Ability to work alongside a group of creative thinkers
- Room to experiment and take initiative on new ideas
- Professional growth opportunities
- Ability to participate in firm-wide initiatives such as our Culture Club, Sustainability team or Equity, Diversity, and Inclusion task force

### Culture

At Weber Thompson, we're undeniably "people first." It's a place where ideas are tested. Knowledge flows. Mentorship is prized. It's a place where people come not just to work, but to make a difference.

### Philosophy

At the core of our design practice is a dedication to our clients, our team, and the planet. This requires exceptional listening skills, a roll-up-your-sleeves attitude, and a willingness to challenge the status quo. We believe that incredible things are possible when we do what's right, even when it's not easy.
